

How to register with CPPE as a future pharmacist

How to register with CPPE as a pharmacy undergraduate

Step 1 – registering

1. Visit the **Pharmacy (MPharm) undergraduate CPPE registration** page.

The screenshot shows a registration page with a blue header titled "Pharmacy (MPharm) undergraduate CPPE registration". Below the header, there is a light blue box containing the following text: "To register with CPPE and access our learning and assessments complete the registration form below. For more information about the services CPPE provides and details of how we are funded go to the [about CPPE section](#). If you are a pharmacist, trainee pharmacist or pharmacy technician please use the [GPhC registrant registration form](#)." Below this text is a link: "[Help with registration and login](#)".

Below the light blue box are three input fields:

- Title *
- First name *
- Your surname *

2. Read and agree to the CPPE terms and conditions.
3. Click on *Register* at the bottom.
4. A confirmation email will be sent to your email address. You will need to click the link in that email to complete the registration process.

Step 2 – logging in to the CPPE website

1. Go to the CPPE website and click *Log in/register* on the top right of the screen.
