

## Apply your learning

If you missed our *Antibacterials* focal point workshops then consider joining us for our *Antibacterials* e-workshops, which will take place on 3 and 5 November. You can find out more on our website.

## Become an antibiotic guardian

Pledge to limit the unnecessary use of antibacterials. Become an antibiotic guardian and offer your support:

[www.antibioticguardian.com](http://www.antibioticguardian.com)

Share your actions on our Facebook and Twitter pages and let us know how you are making a difference to limit the global threat to public health caused by antimicrobial resistance.

### Contacting CPPE

Contact us by email or telephone. A member of our customer services team will be happy to help you with your enquiry.

Email: [info@cppe.ac.uk](mailto:info@cppe.ac.uk) Telephone: 0161 778 4000 Website: [www.cppe.ac.uk](http://www.cppe.ac.uk)

# Use antibacterials wisely: challenge yourself and your team

A CPPE learning campaign

# Join our campaign to combat this global public health threat

## Update yourself

Are you confident about the appropriate use of antibacterial therapies?

Read and work through the activities in our distance learning programme *Antibacterial resistance – a global threat to public health* to update your knowledge.

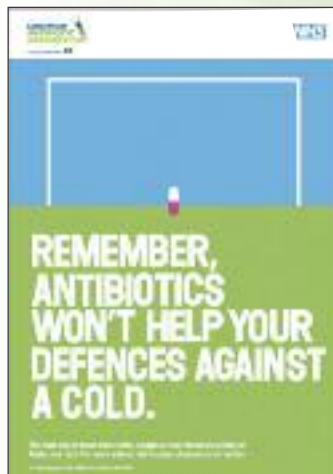

## Plan your campaign

Plan a window or practice display to tie in with EAAD.

Send in your pictures and let us know how you are engaging with this initiative.

[facebook.com/cppeengland](https://www.facebook.com/cppeengland)

## Test your knowledge

Our e-challenge quiz on antibacterials: [www.cppe.ac.uk/e-challenge](http://www.cppe.ac.uk/e-challenge) is available from 11 November 2015.

Look out for the infections topic, available from our Medicines Quiz app.

How does your score compare with your colleagues?

## Engage your pharmacy team

Make sure your team are up to date too. Encourage them to work through three hotspots from the antibacterials floor on [theLearningpharmacy.com](http://theLearningpharmacy.com).

Use the CPPE Facebook or Twitter pages to tell us what your team thought of this learning.
